Services we provide

Home Finance Choice is a boutique mortgage broking service that is supported by VOW Financial (one of the Australia's leading broker network). We assist clients with various credit products including home loans, investment loans, personal loans, consumer leases and commercial finance.

We will help you to choose a loan which is suitable for your purposes. Additionally, we will provide you with information on a broad range of financiers and products. Once you have chosen a loan that is suitable for you, we will help you to obtain an approval and guide you through to settlement.

Our panel lenders

We source finance from a panel of financiers. The financiers named below are the six financiers with which we conduct the most business.

AMP - ANZ - BankWest - Commonwealth Bank - Homeloans Ltd - Homeside/NAB - Macquarie

We will need information from you

Under the NCCP Act, we are obliged to ensure that any loan or principal increase to a loan we help you to obtain, or any lease we help you to enter, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;

- make reasonable inquiries about your financial situation;
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide us is accurate.

We must provide you with a copy of our preliminary credit assessment of your application if you ask within seven years of when we assist you. We are only required to give you a copy of the credit assessment if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.

Fees payable by you

We do not charge you for the services we provide. However, you may be required to pay the lender's application fee, valuation fee, government charges and other transaction fees.

Commissions received by us

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These are not fees payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commissions are worked out.

Commissions payable by us

We source referrals from a broad range of sources. For example, we may pay fees to call centre companies, real estate agents, accountants, or lawyers for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.

Receiving complaints and the complaint process

We hope you are delighted with our services, but if you have a complaint you can contact us. You may do this verbally or in writing.

When we receive a complaint, we will attempt to resolve it promptly. We hope that in this way we will stop any unnecessary and inappropriate escalation of minor complaints.

- we expect that both parties will make a genuine attempt to resolve a complaint promptly;
- we expect that both parties will provide all essential and relevant information, documents, written statements and any other materials that may properly and reasonably be believed to assist in resolving the complaint;
- we expect that both parties will comply with all reasonable requests from the other party to provide information within a reasonable time frame.

Timeframes for response

If your request cannot be resolved immediately, we will respond to your request within two (2) business days of receipt of the complaint. We will keep you informed of the progress of the investigation.
